The Department of Collegiate Education has recognised the need to develop the existing Degree Colleges into Centres of Excellence so that these colleges evolve into preferred institutions specialised in any one/two of the three streams, viz., Science, Arts and Commerce in each district of A.P. Government, Aided and Private Unaided Colleges were selected based on the parameters like infrastructure facilities, faculty and their research experience, results obtained in the respective stream, student strength and best practices followed by the colleges. The list of Government, Aided and Private Unaided Colleges identified to be developed as Centres of Excellence is appended.

The Principals, Academic Coordinators and Faculty members of Degree Colleges identified to be developed as Centres of Excellence in Science, Arts and Commerce Streams are hereby requested to attend a workshop in the O/o CCE, 5<sup>th</sup> Floor, BRKR Bhavan, Hyderabad on 14.07.2014 at 11.00 AM without fail. They are also directed to tour the colleges in Hyderabad listed among the top 50 colleges in the India Today Nielsen survey for exchange of ideas and receiving inputs in order to develop their respective institutions into Centres of Excellence from 15<sup>th</sup> to 17<sup>th</sup> July 2014. The list of colleges to be visited will be provided at the workshop.

The Principals shall note that attending this programme is mandatory along with his team on the prescribed dates mentioned above. Any deviation will be viewed seriously. For any queries, you may contact the Academic Officers Dr. Sharwani (9441612024) and Ms. Selina (9000538279).
