

We do Remember!

— S.M. Basha

*We do remember the lilt of this CLT,
And the gorgeous George as ELF cult;
New techniques, newer tete-a-tets to impart,
To tread the path of TPS and never to depart.*

*We do remember Theo's communicative therapy,
Gita's great pedagogic canopy;
Anita's abundant critical acclaims,
Padmaja's panache for our reclaims.*

*We do remember agile Andar's doctoring,
Vijaya Kumar's triumphant anchoring;
Dr. Lakshmi Narayan's luminous vision,
Commissioner Chakrapani's charismatic mission.*

*We do remember Suryam, Chandram, Padmam, Vasantam,
Raj, Ramesh, S.V., Venkat, Rao, Krishna, Kishan, Adwant,
Lakshmi, Mini, Rupa, Shanti, Sujatha, Rahat, Gouse, Basha
At work or rest, we sustain our penchant.*

*We do remember this workshop as a treat,
Setting out our innate abilities on a feat;
We work in groups to kindle its spirit,
We work in pairs to mingle with George's merit.*
